

## **Student of the Month February 2018**

### Williamson High School – Kyleigh Housel

Kyleigh, a sophomore, is the daughter of Kelly Morgan and Joseph Housel, and resides in Tioga. She has made quite the impression on the faculty, in particular the business department who chose her as Student of the Month. One of the teachers who nominated her had the following to say, “Kyleigh is an exceptionally conscientious student who says little, but produces a lot. She is always present and always provides her best work for any assignment she is given. Not being the most extroverted student, Kyleigh is not one to tout her success. However, her work does not go unnoticed. Never an issue, never a problem, always a pleasure, always prepared—this is Kyleigh. We don’t for a moment feel she would ever take the stage selfishly for herself, but we know she would do what is needed for others.” Kyleigh’s primary passion is drawing, spending a lot of her free time doing so and dedicating her time to the art club. After graduation, Kyleigh is thinking about pursuing a career in art or zoology. Congratulations, Kyleigh. The faculty and staff of Williamson High School are very proud of you.

Chris is a Williamson soccer player. Outside of school, Chris enjoys riding his bike and playing video games. Respectfully, he is a Boy Scout.
