How Your Vision Care Program Works

Eligible members and dependents are entitled to receive a vision examination and one (1) pair of lenses and a frame or contact lenses and contact lens evaluation/fitting once every 12 months from last date of service.

For your convenience, at the start of the program, you will receive two identification cards with participating providers in your zip code area listed on the back. At the time of your appointment, simply present your NVA identification card to the provider or indicate that your benefit is administered by NVA. The provider will contact NVA to verify eligibility. A vision claim form is not required at an NVA participating provider.

Be sure to inform the provider of your medical history and any prescription or over-the-counter (OTC) medications you may be taking.

To verify your benefit eligibility prior to calling or visiting your eye care provider, please visit our website at www.e-nva.com or contact NVA's Customer Service Department toll-free at 1.800.672.7723 (TDD line 1-888-820-2990) or NVA's Interactive Voice Response (IVR). Customer Service is available 24 hours a day, 7 days a week, 365 days a year. Any question any time.

If you are not a registered subscriber, you can still search our providers online by selecting the "Find a Provider" link on our home page. Enter group number 8830000001 or the group number on the identification card and enter in your search parameters. It's that easy!
