Northern Tioga School District Information

The Northern Tioga School District is a rural district in the northern most part of Tioga County Pennsylvania servicing approximately 2,100 students spanning 335 square miles. Our district consists of three elementary schools: Westfield Elementary, Clark Wood Elementary and R.B. Walter Elementary, housing grades K-6. Our elementary program focuses on the development of the whole child, emphasizing the building of a strong educational foundation that our students can use to build upon as they continue to grow academically. Our secondary program is housed in two high schools: Cowanesque Valley and Williamson High Schools.

Our high schools consist of grades 7-12 with integrated middle schools. Our secondary program features both academic and vocational programming. We enjoy small class sizes and our students benefit from individualized attention and differentiated instruction. At all levels our students are encouraged to participate in a multitude of activities ranging from the fine arts to athletics. The Mission and the Vision of the Northern Tioga School District are posted below.

Mission:

The mission of the Northern Tioga School District is to provide our students with the knowledge, skills, and strategies needed to successfully meet the challenges of the future.

Vision:

World Class Leaders and Productive Citizens
