

**Please Note:** If you do not have an active account, you will be required to complete the “User Registration”.

**First Screen: Click “Apply Online” – See blue circle below...**

**Screen Two: Click “Login” or “Register” You must Register if you don’t have an account established.**

**Screen Three: User Registration (If you do not have an account.) DO NOT Leave the pages until you have completed part 1 and part 2 of the registration process or your information will not save.**

# Disaster Loan Assistance

Federal Disaster Loans for Businesses, Private Nonprofits, Homeowners, and Renters

## User Registration (Part 1 of 2)

The registration information that you provide will be used to verify your identity and for future logins. Please ensure that this information is accurate and correct.

**WARNING** - For your security, navigating away from either of the registration pages before the registration process is completed will clear out any information entered. To ensure your registration is successful, complete part 1 and part 2 of the registration process completely.
