- After School Tutoring and Transportation
 - BSCA grant allows us to continue this program that was started with ARP/ESSER.

- MTSS-multi-tiered system of support. Research based elementary school intervention system.
 - BSCA Grant Provides:
 - CWES with 2 tutors for 5 days a Week/5 hours per day/\$25 hour
 - RBWES with 3 tutors for 5 days a Week/5 hours per day/\$25 hour
 - WAES with 2 tutors for 5 days a Week/5 hours per day/\$25 hour
 - Students are identified for demonstrating one or more of the early warning indicators:
 - Attendance Rate
 - Inappropriate Behaviors
 - Poor Marking Period Grades
 - Grade Retention
 - Low Performance on Universal Screener.
 - Tutors work with students on research backed interventions to help meet the needs of the whole student. The more needs a student has the more intensive research backed intervention the student receives.

- Early Warning Intervention and Monitoring System (EWIMS)-Research based high school intervention system.
 - BSCA Grant Provides:
 - CVHS with 2 Tutors for 5 days a Week/5 hours per day/\$25/hour
 - WHS with 3 Tutors for 5 days a Week/5 hours per day/\$25/hour
 - Students are identified for demonstrating one or more of the early warning indicators:
 - Attendance Rate
 - Inappropriate Behaviors
 - Poor Course Performance
 - Tutors work with students with credit recovery, school to work, internships, and mentoring.
